**TEAM CAPITAL BANK OPENS NEWEST LOCATION
IN ALLENTOWN, PA, LEHIGH COUNTY**

Bethlehem, PA, March 7, 2008 – Team Capital Bank held a ribbon cutting ceremony today which officially opened the Bank’s newest location at 1901 Hamilton Street, Allentown, PA. Government and bank officials and local business owners gathered for a brief ceremony at the new community banking office located in the shopping plaza at the corner of 19th and Hamilton Streets in Allentown’s West End. The opening of the new bank is Team Capital Bank’s first location in Lehigh County.

“We are delighted to offer our style of community banking to the West End of Allentown,” said June Webre, Team Capital Bank Regional President - Lehigh Valley. “All staff at the 1901 Hamilton Street location live in the Lehigh Valley and understand the needs of the community” she added. “It’s our belief that this helps foster connections between the Bank and consumers, businesses and organizations, and ultimately allows us to provide a kind of banking that is normally available only at private banking institutions.”

The new Team Capital Bank, like the Bank’s other locations, is a shift away from the traditional approach to bank branches. Looking more like a welcoming hotel lobby than a bank, customers immediately notice the comfortable chairs, fresh-baked cookies and the aroma of gourmet coffee. Personal Banking Officers are on hand in private office spaces to help with banking transactions. And because Team Capital Bank hires personnel with significant industry experience, Personal Banking Officers are empowered to assist customers with nearly any banking need. “We offer banking services that are different and better, and our experienced team means that we can also make it easier for customers to bank with us,” stated John Zwetolitz, Regional Manager for the 1901 Hamilton Street location.

Team Capital Bank offers a full complement of personal and business banking services – checking, savings and money market accounts, CDs, IRAs and business and personal loans,

among others, plus mortgage banking and commercial lending services. The 19th & Hamilton Street location offers drive-thru service, a 24-hour ATM and convenient parking.

One of the fastest growing de novo banks in the country, Team Capital Bank integrates new community banking office locations into established neighborhoods, using smart design that reflects the character of the particular location. Architectural and construction services for the Allentown bank were provided by Cerminara Architects and Iron Hill Construction Management, Co., respectively. In the Lehigh Valley, Team Capital Bank also has a banking office at 2151 Emrick Boulevard which opened in 2006, and an Agency office in Phillipsburg, New Jersey. The Bank expects to open an additional Lehigh Valley location on West Tilghman Street, Allentown, later this year.
