

Panini Driver Download Instructions

Use the instructions on this Quick Reference Card to download the driver required to use your Panini scanner. See the Scanner Setup Quick Reference for system requirements and for instructions on installing the driver once it has been downloaded.

Downloading the Panini Driver

1. Access the driver Web site:
<http://downloads.paninina.com>

2. Enter login information:

In this field...	Enter this...	
	Panini I:Deal	All other Panini scanners
Name	ID33Latest	VX33Latest
Password	Driver33	Driver33

3. Click the **Login** button. The download screen is displayed.

Panini I:Deal	All other Panini scanners
	

4. Click a link:

Panini I:Deal	All other Panini scanners
ID_3.3.1_1.0.3_Demo.zip	VX_3.3.1_1.2.10_Demo.zip

5. Save the file to your local hard drive. The I:Deal driver file is approximately 10 MB in size; the other driver is approximately 12 MB.
6. Extract all files from the .zip file into a temporary directory. No password is required to unzip the file.
7. Navigate to the temporary directory.
8. Follow the instructions in the "Installing the Scanner" section of the **Scanner Setup Quick Reference**, substituting the temporary directory address for the CD in Step 3.
